

Appendix 1. Single Outcome Agreement and Relationship to Dundee Partnership

National Outcomes

We live in a Scotland that is the most attractive place for doing business in Europe.

We realise our full economic potential with more and better employment opportunities for our people.

We are better educated, more skilled and more successful, renowned for our research and innovation.

Our young people are successful learners, confident individuals, effective contributors and responsible citizens.

Our children have the best start in life and are ready to succeed.

We live longer, healthier lives.

We have tackled the significant inequalities in Scottish society.

We have improved the life chances for children, young people and families at risk.

We live our lives safe from crime, disorder and danger.

We live in well-designed, sustainable places where we are able to access the amenities and services we need

We have strong, resilient and supportive communities where people take responsibility for their own actions and how they affect others.

We value and enjoy our built and natural environment and protect it and enhance it for future generations.

We take pride in a strong, fair and inclusive national identity.

We reduce the local and global environmental impact of our consumption and production.

Our public services are high quality, continually improving, efficient and responsive to local people's needs.
